

### Pol Roger, Vintage Champagne, 2002

**Note :**

Despite 10 years of age this is still a baby. Complex and supremely elegant fruits with brioche, almond, apple, citrus and floral aromatics. Dry, busting with balanced acidity with embryonic fruit still vital and youthful. Streamlined, long and fine, a great release from this venerable name that will drink beautifully in 4-15 years.

**Drinking Range :** 2016—2025
